CHURCH OF CHRIST AT MOUNTAIN VIEW

Dear Friends,

Mountain View Church of Christ invites bikers to participate in RIDE FOR RECOVERY on Saturday, September 30, 2023. RIDE FOR RECOVERY features a scenic ride through the Northern Shenandoah Valley, a cookout, a chance to win prizes and some info about Celebrate Recovery. Proceeds go to Mountain View's Celebrate Recovery ministry to help people in our area find freedom from their hurts, hang ups and habits.

There is no cost for the ride and cook out. Donations for Celebrate Recovery are appreciated. The suggested donation is \$20. Register today at www.ccmv.com/ride-for-recovery or at the event. See the website to learn more. Registration, coffee and a light breakfast are from 9:00-9:45AM. Kickstands go up at 10:00. Lunch is around noon. Participants must be present to participate in the drawings. Bike line up and parking is in the designated area in the large parking lot behind Mountain View's main building. Registration and lunch are in the large pavilion.

Clean the bugs out of your teeth, shine up your chrome, gas up (we don't plan to make a gas stop) and get ready for some easy cruising and country curves.

All sponsors will be acknowledged and promoted at the event on the event webpage.
